GRIFFISH
ISLES
2026

Welcome to the Future!

We've taken you to so many places so far, we thought we'd branch into time travel!
We went to the past (the 80s to be exact) in 2023, so there's no other place to go but the future!
Pick your favourite vehicle - a sporty DeLorean, a big blue box, a spaceship or a portal - and let's see where the magic takes us!

Speaking of time, can you believe it's our 8th event? Things have changed a lot from those 2018 days and we'd like to take a second to thank everybody who has helped us on our journey. Whether you've been with us from the beginning in 2018, or whether you've only just joined us; we tip our collective hats to you for the help you've given us.

Thank you <3

Rules of Conduct

COVID-19

If you suspect you may have COVID-19, please leave the con space to avoid infecting others.
We advise you to test before, during, and after the con.

Please respect people's preferences for mask-wearing, personal space, etc., and please do not touch their belongings without asking (this also applies to items at vendor tables).

Cosplay and Photography

We only allow props made from foam for safety.

Be considerate of your surroundings when in cosplay, e.g. if you have big wings or body paint.

If you attend the convention, there is a chance you may be photographed.

Photographers, please respect those who do not wish to be photographed.

Foals/Under 18s

Children are very welcome at Griffish Isles, however the Saturday night music event is 18+ only due to loud noise, alcohol and tipsy people jumping around.
The evening panel is 18+ due to rude words.

Rules of Conduct (cont'd)

Venue, Badges, Food & Drink

Badges should be visible at all times. If yours is damaged or lost, please go to the registration desk for a new one.

Please do not bring your own food and drink into the venue, food is available from the bar and reception. If you are looking for info on local eateries, please ask at hotel reception.

Everything Else

If you lose something or find something, please take it to the hotel's reception desk.

Remember the 6-2-1 rule! 6 hours of sleep, 2 meals and 1 shower a day, for a healthy con experience.

Harassment will not be tolerated. This includes hotel staff.
If you see something wrong, or you have been harassed, please tell a Griffon (volunteer) or go to the convention registration desk.
Volunteers can be spotted in their lovely blue t-shirts.

You may be removed or cut off if you are overtippling. This also applies if you are taking illegal substances.

If you feel unwell or get hurt, we have two medics on site, ask a Griffon for help. Our two medics are Stone Mane, and Mr Morris, our security guard.

Special Guest - Peter New

Peter New is a writer, actor and voice actor with over 200 professional credits. Besides playing Doctor Whooves, Big Mcintosh, Goldie Delicious and nearly 40 others on My Little Pony Friendship is Magic, New has also voiced almost 70 characters in Littlest Pet Shop, as well as voices in Chuck's Choice, Megaman Fully Charged, Saving Goola, Dinosaur Train, Inuyasha, Ninjago, and most recently Light of the World to name a few.

On camera he's done everything from baring his chest for Daphne in Scooby Doo Too: Monsters Unleashed, to attempting 'to get away with it if it wasn't for those kids' in Supernatural's crossover episode Scoobynatural. Most recently he plays Mr. South in Paramount+'s hit School Spirits, as well as doing turns in Ghosts, Murder in a Small Town, Private Eyes West Coast and playing the lead role in a feature film Time Helmet, now touring festivals.

His writing includes the multiple award winning short film WoodMan, in which he also starred, and the utterly absurd radio play-style podcast Voyage of the Oeverwal, in which he plays Columbus, Hodding Vermeer, and others. In 2024 he started his own production company, Offish Productions, which produces films he has written and directs.

Our first short film Ekskynt Lompakko (Lost Wallet) has been selected as part of Berlin Lift Off and has achieved semi-finalist status at Cannes World Film Festival. He likes milk chocolate, single malt scotch, sunny evenings, and traveling.

Community Guest - Fiaura the Tank Girl

Fiaura is the writer of Fallout: Equestria Dead Tree, the current final of the Big Side Stories and is working on something new, an original work. She works tirelessly in the realm of science from the perspective of: “How does that work if I do the math?” Fiaura has analyzed My Little Pony, dozens of Anime, Fan Fiction, and Sci-Fi TV shows all in the name of working towards understanding the Why we like something and How to make it work within the bounds of our reality.

Charity

Once again, we are supporting the wonderful people at Only Foals and Horses! They run a horse sanctuary in Oswaldtwistle, but they don't just have horses; their hooved guests include ponies and donkeys. They run charity open days, "groom a pony" sessions, have a tack shop, and other fun events! They've been housing, caring for, and rehabilitating equines in need for over 30 years and are a very deserving cause.

Last year we raised a GI record-breaking £4050 for them; can we break it this year?

What are the current stories going on in its universe? This includes content that is coming up or literally just came out in the previous week before the con!

- The Brony Traitors (Mane Theatre, 7pm-8pm)

- ????? (Chill Room, 6pm-8pm)

We've no idea wht this is or what's going on here, and we're sure it's nothing untoward, but whatever you do don't knock three times on the door and say "GI is vimptastic".

- Pony Conventions and Play (Mane Theatre, 1pm-2pm)

Dr Pony returns to present his research on the MLP fandom, exploring the ways conventions can be understood as spaces of play, the ludic activities which happen across these weekends, and the extent theories of play can be applied to pony games, OCs, plushies and fan culture.

Events - Sunday

• Science of Pinkie Pie (Mane Theatre, 2pm-3pm)

You ever wonder if Pinkie Pie is an Eldritch Horror from beyond the great beyond? How does she defy gravity? What is with Discord being afraid of her? Lastly, why does the fandom react the way they do to her? These are questions! Questions Fiaura will attempt to answer as she science's PINKIE PIE now with Fan Theories and Fan Creations included!

• A Zen Guide to the Equestrian Railway (Mane Theatre, 3pm-4pm)

• Taskmarester (Mane Theatre, 4pm-5pm)

A live GI-exclusive version of the gameshow hosted by Bexi and Laz. Last time they made the victims dance to Baby Shark. What's in store for us this time?
